

[Paperbillasaurus]

Paying by paper is so prehistoric.

[Checkosaurus Rex]

Dig this: Using e-Bill gives you a faster, easier way to pay.

It's true. With computers and the Internet so close at hand these days, sending paper bills through the mail has become more than a bit dated; it's actually becoming extinct. If you haven't switched to **e-Bill** from Upper Peninsula Power Company yet, it's past time you did.

Why enroll in e-Bill?

Because e-Bill is easy

Use **e-Bill** and there'll be no more glacial delays of writing out and mailing a check. And by reducing paper, you'll be doing the environment a favor, too.

Every month, you'll get an e-mail reminder from UPPCO letting you know your bill is ready for review and payment. Just log in to your account, click the payment button and your bill is paid, from the account of your choice, on the date you choose.

Because e-Bill gives you so much

- An earth-friendly way to pay your UPPCO bill, 24 hours a day, 7 days a week
- Up to 13 months of billing and payment history
- The convenience of scheduling advance or recurring automatic payments
- The power to eliminate the postage, envelopes and time needed to mail
- The ability to combine **e-Bill** with **Budget Billing** for even greater payment ease

[Envelopatops]

Because e-Bill is secure

When you pay with **e-Bill**, your personal and financial information is always protected with the industry's most advanced technologies.

e-Bill really is the future of bill paying.

Step into the present and leave your paper bill where it belongs ... in the past. Once enrolled, you'll receive your first **e-Bill** on your next scheduled billing date, which will be within the next 30 days. Pay any time up to your due date — even on the day you enroll.

If you have questions about **e-Bill** or any of our other helpful billing options, visit **uppc.com** or call 24-Hour Customer Service at **800-562-7680**. Business customers can contact the Business Solutions Center at **800-337-8445**.

Paper is past. e-Bill is now.
