

Automatic Payment

An easy and secure way to pay.

Simplify the way you pay your energy bills by enrolling in **Automatic Payment**. Save time, money and postage by authorizing your financial institution to automatically pay your bill each month.

Before completing and mailing this form, please read and understand the following:

- Energy bills will continue to vary monthly depending on usage and prices.
- You will receive the same, detailed monthly Upper Peninsula Power Company statements you get now, so you can review bills before they're deducted from your account.
- Your payments will begin with either the first or second UPPCO bill you receive after you sign up for the plan.
- You'll know your next payment will be made automatically when you see "**Automatic Payment Amount**" on the stub portion of your bill.

Based on the above, I hereby authorize UPPCO to initiate entries to my account at the institution named on the enclosed voided check, and authorize that institution to debit my account for those entries. This authorization will remain in effect until I terminate it, allowing reasonable time for UPPCO and my bank to act.

I have the right to stop payment on an individual entry or to have entries corrected by timely notification to my financial institution. UPPCO also has the right to cancel this agreement for insufficient payments to my account.

Important: A check marked "void" is needed so we can accurately deduct payments from your bank, credit union, or savings & loan account. It's that easy!

Get Started

To take advantage of convenient **Automatic Payment**, complete, sign and mail the form below, along with a voided check, so we know which account to deduct payments from. If your payment is due at this time, also include it so your account stays current until **Automatic Payment** begins. Send to:
