UPPCO Crews Busy Sunday Morning in Gwinn-Little Lake Area

Ishpeming – Upper Peninsula Power Company crews were busy over the weekend restoring power to the Gwinn-Little Lake area affecting approximately 800 customers.

An outage occurred at approximately 1:50 a.m. on Sunday when a utility pole was downed due to an automobile accident near County Road 456 and Millyard Road near Little Lake and fell near train tracks used by Canadian National Railway Company.

Canadian National was notified and the power was safely restored to its customers by 7:30 a.m. that morning.
