**White Pine and Silver City and Surrounding Area
Electric Service Interruption
For Scheduled Maintenance August 29**

Maintenance is required on equipment owned and operated by American Transmission Company and Upper Peninsula Power Company (UPPCO). This maintenance is being performed to continue improving electric reliability and safety.

To complete this maintenance, electric service will be interrupted for residents and businesses in White Pine, as well as Silver City and the surrounding area, from 12 a.m. to 4 a.m. on Tuesday August 29.

UPPCO regrets any inconvenience caused and would like to thank its customers for their patience and understanding.
